

Elaine G. Batting Memorial Scholarship

MaFLA has established a \$1000 scholarship to honor the memory of an outstanding teacher of Latin in Massachusetts. A long-time member of MaFLA, Elaine Batting served on MaFLA's Board of Directors from 1990 until her untimely death in 1994. During her tenure as a teacher of Latin, she received numerous fellowships for both intensive study and travel during the summer and encouraged others to apply for such scholarships by presenting workshops on how to apply for fellowships and grants. Her studies and experiences contributed significantly to the curriculum base in classical languages. It is expected that the recipient of the Memorial Scholarship will make similar contributions to the study of classical languages in the Commonwealth, including a presentation at the 2008 MaFLA Conference.
